2016 Rules and Regulations

1. All riders must wear an approved helmet and wear long pants. Helmet must be strapped.
2. Anyone under 18 riding must have an adult present.
3. All machines racing must have operating brakes.
4. One rider per bike, per class.
5. Utility machines must be production ATV's as intended by manufacturer, make, model and year.
6. All machines must be naturally aspirated. Non-naturally aspirated will be allowed in the open classes only.
7. No machines started or ridden until you have registered, and no machines are to leave the pit or racing area.
8. Pit area speed is idle speed only.
9. No alcoholic beverages or glass containers permitted in the racing area.
10. No refunds after start of class.
11. Riders are to have their machines up at the starting area when your class is running, and listen for your name to be called. (No engines running while being called to the staging lines.
12. The first name called for each race will be in lane one, the second name called will be in lane two.
13. Track official's decisions will be final.
14. No nitrous bottles on bikes, except for open class.
15. Studded or spiked tires are prohibited.
16. Gate pass will include registration for the event.
